

Imagine if you could learn from a man who instrumental in building an international franchise in over 33 countries in less than 11 years?

What if you could learn how to build a \$565 million business in 9 years?

For 2 days you will be trained by **Australian businessmen** – that's right not more American speakers - **Tony Gattari** and **Peter Irvine**, two men who respectively built Harvey Norman Computers and Communications and Gloria Jean's Coffees into the powerhouses they are today.

The strategies you will learn that will Ignite your business success

- Rapidly increase your profits through low cost marketing strategies.
- How to expand your business to over 30 countries within 11 years.
- The key drivers that will rapidly improve the cash flow of your business.
- Systemise your business to support and sustain growth.
- Development of human resource systems for recruiting, training, and motivating the right employee.
- Earn \$10,000s or even \$100,000s in profit through only a 30 minute meeting.
- How to overcome all the obstacles in your business life by having a winners mindset.
- Learn powerful sales techniques that will close more sales and increase your average transaction.
