## Secrets of success to guide small businesses

Managing Director of Gowings, ex General Manager for Harvey Norman and part time advisor to some of the Australian Top 100 companies Tony Gattari will share the secrets of business success at the 'Secrets of Achievement' workshop in Silverwater on Wednesday Tuesday 1<sup>st</sup> March starting at 6.00 pm

Mr Gattari's three-hour 'Secrets of Achievement' workshop is a practical hands-on session for small business owners and managers and staff working in small businesses who want to learn the keys to successful small business operation.

"Working for Gerry Harvey I was fortunate to gain hands-on experience of building the Harvey Norman computer and communications business from \$9 million to \$565 million over nine years," Mr Gattari said.

"The practices that helped me build a successful operation for Harvey Norman and now at Gowings are relevant to other business owners and manager, those in retail and other industry sectors too" he said

The Secrets of Achievement workshop focuses on the qualities, characteristics and beliefs that make successful people and their businesses. In this workshop we will explore the eternal truths that always lead to success. Truths like vision, clarity, teamwork, faith, purpose and self belief. An abundance mindset is essential to future business and personal success.

The investment is \$99 per person and includes a 3 hours workshop, food and refreshments, and a free workbook.

The workshop is being held at the C2 Connection Centre on the corner of Silverwater rd and Egerton st, Silverwater from 6.30 to 9.30pm on 1<sup>st</sup> March 2005. Registration is at 6pm.

Mr Gattari's business, Achievers Group, advises major Australian companies and leads the initiative to help Sydney's small business owners.

Mr Gattari's highly inspirational approach to helping others and his focus on successful attitudes and team building, will provide enormous value to small business owners and managers, and to people considering starting up a business..
